RELIEF AMB JACKET WOMEN

Lightly insulated thermal jacket for use on its own in spring and autumn, or as an insulating layer in colder climates. One of the product's main strengths is its almost non-existent ability to absorb moisture, which gives it an extremely fast drying time.

FUNCTIONS

- Soft and protective collar
- Inner hanging loop at the neck
- Microphone holder on both right and left sides
- Full front zipper opening
- Zipper garage at the top front
- 2 large zippered chest pockets
- Inner mobile phone pocket and pen pocket inside the chest pocket
- Zippered side pockets
- Adjustable hem with elastic cord and stopper
- Reflective details at sleeve ends and on the back
- Soft cuff at sleeve ends
- Pre-shaped sleeves
- Inner name label
- Light and durable polyamide ripstop with well-balanced wind resistance and breathability
- Microfiber insulation for effective thermal performance
- The padding is strong and has good recovery properties
- Low weight and small volume make the garment easy to pack
- No through-quilting to minimize cold spots
